Derby and Derbyshire CCG Position Statement
Spinal Cord Stimulation for Chronic Neuropathic Pain

Statement

Derby and Derbyshire CCG will only commission Spinal Cord Stimulation in accordance with the criteria outlined in NICE TAG159.

For further information see link:

<https://www.nice.org.uk/Guidance/TA159>

As per the NICE Guidance, the use of Spinal Cord Stimulation for pain of ischaemic origin is not recommended and will not be commissioned.

These commissioning intentions will be reviewed periodically. This is to ensure affordability against other services commissioned by the CCG.
