

WHEN I FEEL VERY ILL

My symptoms are much worse

My symptoms are getting much worse even though I have followed the actions in the 'When I Feel Worse' section

WHAT TO DO:

Speak to my GP or dial 111 if:

I have increased or new swelling of my feet, ankles or legs and/or a fever

Dial 999 for an ambulance if: I am extremely short of breath, unable to complete a sentence, feel confused, drowsy or have unexpected, persistent or new chest pain

Use this colour chart to guide whether you need antibiotics for an infective exacerbation

- Antibiotics not likely
- Antibiotics not likely
- Antibiotics may be taken
- Antibiotics likely
- Antibiotics likely
