

# Derbyshire Medicines Management

<b>DERBYSHIRE CLASSIFICATION: AMBER (shared care)</b>				
<b>OUT OF AREA CLASSIFICATION: BLACK (OR EQUIVALENT)</b>	<b>OUT OF AREA CLASSIFICATION: RED</b>	<b>OUT OF AREA CLASSIFICATION: BROWN (OR EQUIVALENT)</b>	<b>OUT OF AREA CLASSIFICATION: AMBER</b>	<b>OUT OF AREA CLASSIFICATION: GREEN</b>
Challenge request – specialist should not be initiating treatment with BLACK drug. However, if specialist willing to initiate and stabilise as per Derbyshire SCP, GP could consider accepting on-going prescribing as per Derbyshire SCP.	Challenge request – specialist should retain prescribing of red drug. However, if specialist willing to initiate and stabilise as per Derbyshire SCP, GP could consider accepting on-going prescribing as per Derbyshire SCP.	If specialist willing to initiate and stabilise as per Derbyshire SCP, GP could consider accepting on-going prescribing as per Derbyshire SCP.	If specialist provides an APC approved SCP or the specialist is working to the OOA APC classification, GP can consider accepting on-going prescribing as per OOA SCP. Alternatively, GP could ask specialist to work to Derbyshire SCP.	Consider monitoring requirements and follow-up required. If necessary, GP could ask specialist to work to Derbyshire SCP.
<b>DERBYSHIRE CLASSIFICATION: RED (hospital only)</b>				
<b>OUT OF AREA CLASSIFICATION: BLACK (OR EQUIVALENT)</b>	<b>OUT OF AREA CLASSIFICATION: RED</b>	<b>OUT OF AREA CLASSIFICATION: BROWN (OR EQUIVALENT)</b>	<b>OUT OF AREA CLASSIFICATION: AMBER</b>	<b>OUT OF AREA CLASSIFICATION: GREEN</b>
Not recommended or commissioned by OOA provider trust and not agreed for primary care prescribing in Derbyshire, therefore refer patient back to OOA provider trust to recommend an alternative.	Prescribing responsibility rests with specialist; therefore the patient should be referred back to the provider trust for on-going prescribing.	Not agreed for primary care prescribing in Derbyshire, therefore the patient should be referred back to the provider trust for on-going prescribing.	If specialist provides an APC approved SCP or the specialist is working to the OOA APC classification, GP can consider accepting on-going prescribing as per OOA SCP. Alternatively, GP could refer prescribing back to the specialist since not agreed for primary care prescribing in Derbyshire.	Not agreed for primary care prescribing in Derbyshire, therefore the patient should be referred back to the provider trust for on-going prescribing.
<b>DERBYSHIRE CLASSIFICATION: BROWN (not normally recommended)</b>				
<b>OUT OF AREA CLASSIFICATION: BLACK (OR EQUIVALENT)</b>	<b>OUT OF AREA CLASSIFICATION: RED</b>	<b>OUT OF AREA CLASSIFICATION: BROWN (OR EQUIVALENT)</b>	<b>OUT OF AREA CLASSIFICATION: AMBER</b>	<b>OUT OF AREA CLASSIFICATION: GREEN</b>
Not recommended or commissioned by OOA provider trust; however consider Derbyshire JAPC classification. If there is an exceptional reason for prescribing and the GP is clinically happy to prescribe, GP to accept on-going prescribing. If not, refer patient back to provider trust to recommend alternative.	Challenge request – specialist should retain prescribing of red drug. However consider Derbyshire JAPC classification.
