

DERBYSHIRE JOINT AREA PRESCRIBING COMMITTEE (JAPC) JAPC Agenda items

The JAPC professional secretary will set the agenda for each APC meeting, in collaboration with the Chair, using a standard template. A number of standing agenda items are included, for example new drug assessment, clinical guidelines and shared care guidance. Members may submit items for inclusion on the agenda to the professional secretary.

Regular agenda items include:

- Matter arising
- Minutes of previous JAPC meeting
- New drug assessments/traffic light additions
- Clinical guidelines
- PGDs
- Shared care agreements
- Horizon scan
- JAPC bulletin
- MHRA drug safety update
- NICE summary
- JAPC action summary
- Update of working group/subgroups of JAPC
- Minutes of other neighbouring prescribing committees
