

DERBYSHIRE JOINT AREA PRESCRIBING COMMITTEE (JAPC)

JAPC Outcomes

Following a JAPC meeting:

- All traffic light decisions are updated and available on the medicines management website usually within 5 working days of a JAPC meeting.
- All clinical guidelines, patient group directions and shared care agreements once agreed at JAPC are available on the medicines management website usually within 5 working days of a JAPC meeting.
- The JAPC bulletin is updated and available on the medicines management website usually within 5 working days of a meeting, summarising key messages for the preceding month's decisions.
- The JAPC minutes once ratified are available on the medicines management website usually within 5 working days of a meeting, for the preceding month's decision.
